

## Development Projects

## 6655 Post Rd. Dublin, OH

6655 Post Road is a single story, 15,550 sq. ft. medical office building located in Dublin, OH.

This build to suit project was purchased upon completion by Midwest Retina, who occupies 10,000 sq. ft. The additional 5,550 sq. ft. is available for lease on a speculative basis. This project was completed 2nd quarter 2008. Total investment value is approximately \$3.1 million.

Building design includes four sided architecture with all brick and cultured stone exteriors. This development features prominent entrance features, exterior monument signage, and a pond with water fountain.
