

Development Projects

6740-6790 Perimeter Dr. Perimeter Place Dublin, OH

Perimeter Place features four 5,876 sq. ft. and two 9,055 sq. ft. buildings. Perimeter Place is a premiere medical office location in Dublin, Ohio.

This project is adjacent to the new Dublin Methodist Hospital and features six, single story, "Class A" buildings. These buildings are constructed with the highest quality materials. Perimeter Place has been designed with an emphasis on green space, landscaping, and an attention to aesthetics.

Occupants will enjoy professionally maintained exterior grounds with ponds, fountains, exterior park seating and walking paths. This 41,614 sq. ft. project was built on a speculative basis with an estimated investment value of \$8.4 million.

The entire park is managed by Rj BOLL Management, including the Perimeter Place Condo Association.
